Who Are We

Green Keepers is Goddard Riverside’s small business that provides horticulture, sanitation and pest control services throughout the New York City area.

We offer a complete list of horticulture services including tree pit renovations, garden preparation, planting, and watering for public, commercial and residential properties.

We also provide general street sanitation services and indoor maintenance.

Green Keepers is a designated installer of the Xcluder and Xcluder GEO product lines, a non chemical, permanent, eco-friendly solution to rodent control.

Our experienced team can meet your specific project needs or complement current, ongoing services. Green Keepers’ crew members are available as a team or individually. Each team is lead by a skilled horticulturist who ensures that each project is completed to the highest standard.

Green Keepers was established in 1995 and operates under TOP Opportunities (TOPOP), Goddard Riverside’s job training and placement program.

Our Services

Horticulture
- Tree pit renovation
- Spring clean-up

What The Community Is Saying...

Lincoln Square Business Improvement District
“I was struck by how immaculate the Broadway malls are, which in large part is due to the effort of your crew.”
- Monica Blum, President

Broadway Malls Association
“The group has performed wonderfully and it has been very satisfying for us to work with the team.”
- Bob Herrmann, President

East 86th Street Association
“Green Keepers worked diligently to beautify our neighborhood.”
- Susan Gottridge, Vice President

Riverside Park
“We are extremely appreciative of the Green Keepers contribution and look forward to continuing to work together... to better the ecological health of the park.”
- Debra Sheintoch, Director of Volunteers

Salvation Army/Williams Memorial Residence
“We were so pleased with the wonderful work and excellent guidance that you gave to our roof project. We will look forward to working with you next year.”
- Major C. Bryant, Administrator

Normandy Garden at 140 Riverside Drive
“... staff is conscientious, reliable, ever-ready to help and a pleasure to work with. Their horticultural expertise has been invaluable in maintaining and beautifying our gardens.”
- Normandy Garden Committee
